Report On: Portfolio Building Webinar

- **Held on:** 15th February 2022
- **Time:** 12:00 PM to 1:00 PM
- **Platform:** Google Meet
- **Speaker:** Ms. Satyashree Narayan

ABIT organized a webinar on the topic '**Portfolio Building**' for all the students of the IT department on 15th February 2022 presented by the speaker Ms. Satyashree Narayan, founder of Northstar Consultancy. The webinar began with Ms. Arti, second year student from IT department formally introducing the speaker and welcomed all the participants to the webinar and acquainted them with the concept of profile building.

The speaker started the webinar by stating the importance of profile building in a college student's life and the impact it has on their professional careers and spoke about the advantages of a good profile for admissions to universities abroad or in the job market. She emphasized the importance of extracurricular activities along with academics to shape up a profile which is good holistically. In the extracurricular activities, she suggested students to develop small projects of their own based on their passion and indulge in activities which exhibit their problem-solving skills, communications skills and leadership qualities.

Further, the speaker briefed about the ways to design a portfolio using ways like pdfs, portfolio website, or any other folder which contains the students work. She suggested the students to document their work in a proper way. She encouraged the students to prepare a design notebook which documents their approach, timeline, goals, challenges, accomplishments, learnings along the completion of their projects. Lastly, the speaker summarized the webinar by showing a few samples online portfolios followed by the question-and-answer session.

Report On: Webinar on Web Based Business Models in Python

- **Held on:** July 28, 2021
- **Time:** 9:30AM to 10:30PM
- **Platform:** Google Meet
- **Spokesperson:** Mr. Aniruddha Anil Gaikwad (TechnoWings International)

ABIT and TechnoWings International IT solutions in collaboration, organized a technical webinar on Web based Business Models in Python programming language under the guidance of Mr. Aniruddha Anil Gaikwad (Senior Software developer and Corporate Trainer). Python is currently one of the most popular programming language to use according to GitHub and hence it is important for students aspiring to build a career in software development and programming to have a strong grip in it.

The webinar started with the speaker Mr. Aniruddha Anil Gaikwad energizing the students with the history of programming and why python is one of the go to language for developers.

The event was targeted towards students who had no to basic experience working with python. The webinar was termed as a “Starting point” as it was conducted from the very ground basics of python programming and giving an insight of powerful applications of it. Further the speaker enlightened the participants with python-based web development frameworks such as Django, Flask, Cherrypie, Turbogears, Web2pie, Falcon. The students were thrilled to know the Artificial Intelligence related applications such as Machine Learning, Natural Language Programming, Image Processing etc.

Vote of thanks was given by the Head of Department of Information Technology, Dr. Sunil Wankhade. The students gained a great knowledge of working with Python and participated enthusiastically throughout. Thus, the session ended on a positive note.

Report On: Announcement of Eruditio 2021 Departmental Magazine

- **Held on:** October 6, 2021
- **Time:** 01:00PM to 02:00PM
- **Online Platform:** Google Meet

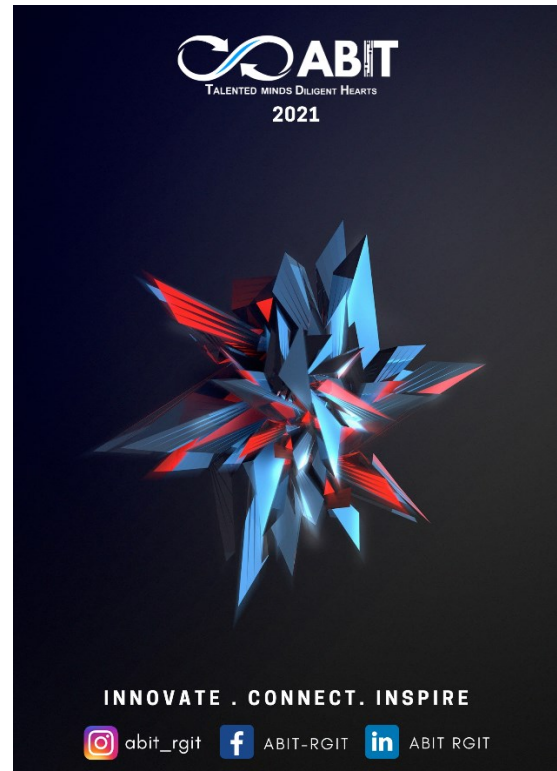

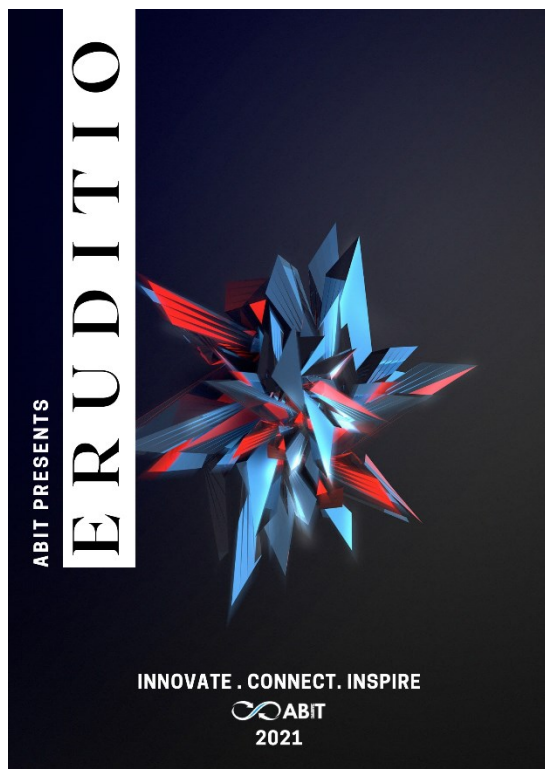

ERUDITO 2021 is an amalgamation of technical as well as non-technical pieces of information. Prepared by Editorial Secretary Mr. Shaunak Pethe and drafted by Ms. Riddhi Shinde (Digital Creative Head of ABIT). Articles written by the students of Information Technology Department.

Dr. Sunil Wankhede HOD of IT Department greeted the team for the hard work and all the efforts put forth. Student Convenor of ABIT, Prof. Nilesh Rathod gave the importance of a technical magazine and congratulated the team for successfully putting forth the magazine even in pandemic conditions.

ABIT President Ms. Riddhi Dange finally launched the Magazine by giving a glimpse of the content to the audience present. Participants for the launch of magazines were the department faculty members and students of the Department.

The students were enthusiastic and eager to read the magazine. The event ended on a positive note by vote of thanks from Ms. Jinisha Kande.

Report On: VALEDICTORY 2021

- **Held on:** April 5, 2021
- **Time:** 05:00 P.M-06:00 P.M
- **Venue:** Google Meet Platform

An industry set forth in the recent past - Information technology - has evolved with superlative momentum, and accrued a dignified status for itself, and all those associated with it. Information technology is one such field that helps to insinuate, and develop business acumen, and operational tenacity.

To promote the same ideology, and make a fundamental difference in the digital society, our department including students, faculty and staff altogether took an initiative and formed one of the leading committees of our college, Association of Budding Information Technocrats (ABIT) that has been bringing forth the budding scientist that lies within every individual since its inception in 2002.

Our committee believes that each and every individual has, as it is said: “**Talented Minds, Diligent Hearts**”.

Like every year, the journey of this year’s student core came to an end and to felicitate the outgoing batch, a valedictory ceremony was conducted on September 5, 2021 under the banner of ABIT.

The event began with opening address by Riddhi Dange (**Incoming President**) in which she welcomed all the faculties and students to the valedictory function. Thereafter, Siddhanth Das and Shimirika Nikam (**Both Incoming Event Management Secretaries**) briefly announced all the events covered in the last year.

This was followed by Dr. S.B Wankhade (**H.O.D**), Prof. Nilesh Rathod (**Student Convenor**) addressing the audience and congratulating all the students who graduated this year. They both praise the outgoing Senior Core for conducting events even in online mode by adapting to the current pandemic situation. Dr. S.B Wankhade announced a new event namely ‘**Alumni Webinar Series**’ to be conducted by IT Department.

This was followed by all the senior core members and sharing their experiences, memories and learning of the past one year they had, and also expressing their gratitude towards the teachers of the department who guided them throughout this journey.
